1. The bears are hiber - ber -
2. The snakes are hiber - ber -
3. The bats are hiber - ber -
4. The frogs are hiber - ber -
bears are hiber - ber -

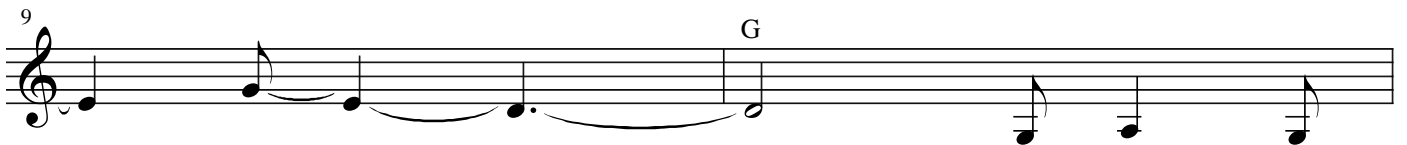

nat - - - ing, oh yes the bears are hiber -
nat - - - ing, oh yes the snakes are hiber -
nat - - - ing, oh yes the bats are hiber -
nat - - - int oh yes the frogs are hiber -
nat - - - ing and the snakes are hiber

nat - - - ting. they're snug - gled down in their dens like
nat - - - ing they're snug - gled down in their dens with
nat - - - ing they're sleep - ing up - side down
nat - - - ing they're snug - gled down in the ground where they
nat - - - ing the bats are hang - ing a - round sleep - ing

all of their friends just wait - ing for the spring to come -
all of their friends, just wait - ing for the spring to come
hang - ing a round just wait - ing for the spring to come
don't make a sound just wait - ing for the spring to come
up - side down just wait - ing for the spring to come

Oh the bears are
Oh the snakes are
Oh the bats are
Oh the frogs are
Oh the frogs are

(Hibernating Animals page 2)
