

# I Am A Camel

Nancy Stewart  
©1996 Friends Street Music, BMI

1. I am a camel, a ship of the desert  
carrying packages carrying kings.  
I rock as I walk back and forth across the desert  
I'll carry you if a song you will sing  
2. Seven feet high in the air you can  
ride on a hump on my back as we move across the  
sand. We'll follow the stars, and we'll know where we  
are. In the cool of the night we will cross this land.

Chords: A, E, Bm, A/C#, D/A, A, D
