1.Sal-mon liv - ing in the o - cean know when it's time to go  
2.Sal-mon hatch from their eggs in the gra - vel grow and trav - el down

home. So they swim - up the ri - ver to lay their eggs  
stream - - - O - ver the rocks and down the ri - ver to

back in the place where they were born.  
find the place where it meets the sea.
