Friends Street Music, BMI67

The musical score is written in treble clef with a key signature of one sharp (F#) and a common time signature (C). It consists of six staves of music. The first staff begins with a repeat sign and a 7-measure rest. The lyrics are: "1. I got a pock-et - ful of pe-bles I'll put 'em in my hand, make a shak - er that sounds so sweet _____ Gon - na go on down to the wat - er's edge and toss my peb - bles in - to the sea _____". The second staff continues the melody. The third staff ends with a repeat sign. The fourth staff is labeled "Last verse and ending" and begins with a repeat sign. The fifth and sixth staves continue the melody and lyrics: "5. When I climb back down to the rock y sand I'll take a hand - ful of peb bles and a smooth stone and a heav - y rock and I'll give 'em all back to the sea _____ I'm gon-na give 'em all back to the sea _____". Chord symbols (D and G/D) are placed above the staff lines.

2. I got a smooth stone in the palm of my hand
Just as smooth as it can be
Gonna go on down to the water's edge
And skip my stone out into the sea

3. I got a heavy rock that's cradled in my hands
It was sittin' here by the tree
Gonna go on down to the water's edge
And drop my heavy rock into the sea

4. I'm gonna go on down to the water's edge
Where there are boulders bigger than me
Gonna climb right up to the top of a boulder
Take a look out over the see (go to verse 5 and ending above)
